

SOUTHERN STEEL BERHAD

PRODUCT SAFETY AND RESPONSIBLE SELLING POLICY

Southern Steel Berhad, as a manufacturer of Steel Bars, Billets, Wire Rods and Deformed Bar in Coils, are committed to upholding industry-leading standards of product safety and ethical business practices guided by:

Product Safety

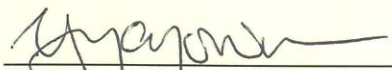

1. Ensuring all our products comply with applicable national safety regulations and standards.
2. Establishing and maintaining a comprehensive quality control and product testing system.
3. Maintaining systems that enable product traceability and efficient recall management.
4. Regularly updating safety protocols and technologies to meet evolving standards and customer expectation.

Responsible Selling

1. Presenting our products truthfully, without false, misleading, or exaggerated claims.
2. Providing customers with clear and factual product information.
3. Selling products that are safe, tested, and compliant.
4. Adhering to the principles and requirements of Anti-Bribery Management System (ISO 37001:2016).

This policy shall be made available to all employees, relevant stakeholders and all interested parties.

Approved by

Mr. Yeoh Choon Kwee
Group Managing Director
